HELP DESK TECHNICIAN ACHIEVES COMPTIA TRIFECTA

LAUNCHING A SUCCESSFUL IT CAREER WITH INDUSTRY-RECOGNIZED CERTIFICATIONS

CODY L. was eager to advance and grow in his career in the IT field. To pursue this goal, he enrolled in ed2go's **CompTIA A+, Network+, and Security+** training course through Maricopa Corporate College.

Cody discovered the program via online recommendations through a career advisor's resource. Funded by the **ARIZONA@WORK SOAR Program**, Cody was able to get started on his certification journey. Initially, reestablishing study habits and managing the workload while meeting course deadlines were challenging for him. However, the comprehensive coursework, resources, and supplementary online materials provided a sound learning environment, empowering him to confidently tackle the exams.

Successfully earning these sought-after CompTIA certifications has significantly strengthened his candidacy for new roles within the IT field. Cody found the online learning experience to be positive and easily adaptable, particularly enjoying the reading materials and practice questions. Thanks to the partnership between ed2go and Maricopa Corporate College, Cody now holds valuable industry credentials and is working full-time at Reliance Partners as an IT help desk technician, setting a strong foundation for his growing IT career. He feels he has a greater ability to tackle meaningful work and is more confident utilizing his skills.

“My experience using ed2go was overall very positive and I'd recommend their products to anyone looking to make a career change, or further their career.”
