STUDENT SUCCESS STORY

EMPOWERING A CAREER JOURNEY WITH IT CERTIFICATIONS

FROM HEALTHCARE TO TECH: A JOURNEY OF TRANSFORMATION AND GROWTH

MARICOPA CORPORATE COLLEGE | ed2go

JOHNNY E. was seeking new career challenges but felt unsure about how to reenergize his career prospects. He embarked on a significant career transition into the IT field by enrolling in **ed2go's CompTIA Certification Training: A+, Network+, Security+** course offered through **Maricopa Corporate College**.

Facing the challenge of a career change, Johnny was motivated by the opportunity to gain in-demand IT skills with the program's trifecta offering. He received WIOA funding to complete the program. Navigating the self-study environment without direct peers or an IT mentor initially presented a hurdle for Johnny, but he was able to overcome it by redefining his study methods and reshaping how he retained and applied knowledge.

While awaiting his certification exams, Johnny sees immense potential for career advancement, with promising prospects in both help desk and networking roles. His dedication to thorough preparation highlights his commitment to success in this new domain.

Johnny found the online learning experience through ed2go to be transformative, fostering a supportive community and proving that effective learning transcends physical boundaries. The course instilled practical study techniques and boosted his confidence and problem-solving. These skills extended beyond professional development to positively influence his personal growth and time management.

> "ed2go's innovative online courses completely transformed my learning experience, making complex topics engaging and boosting my confidence as I advanced in my career. Their dynamic support and flexible platform truly redefined professional growth for me."
