March 2026

WELCOME!

Our instructor-moderated online courses are informative, fun, convenient, and highly interactive. Our instructors are known for their ability to create warm and supportive communities of learners.

Most courses run for six weeks (with a ten-day grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any of these courses entirely from your home or office and at any time of the day or night.

Start Dates:

New course sessions begin each month. Please visit our website to see exact start dates for the courses that interest you.

GETTING STARTED

1. Visit our website:
2. Click the **Courses** link, choose the department and course title you are interested in and select the **Enroll Now** button. Follow the instructions to enroll and pay for your course. Here you will enter your e-mail and choose a password that will grant you access to the Classroom.
3. When your course starts, return to our website and click the **Classroom** link. To begin your studies, simply log in with your e-mail and the password you selected during enrollment.
